RE: Kittitas Valley Wind Power Project ("Project") BOCC hearing procedure

Dear Darrel,

Thank you for the time yesterday to discuss procedure from this point forward regarding the pending Kittitas Valley Wind Power Project application. This letter confirms our understanding, from meeting with both you and Jim Hurson, that the applicant Horizon's submission of advance written materials to the Department of Community Development services by March 15, 2006, gives the county sufficient time to circulate those materials to the BOCC, staff and the public, which allows enough time for their review prior to the reconvened hearing on March 29, 2006.

If this is not your understanding, please do not hesitate to contact me at your earliest convenience.

Very truly yours,

  
Erin L. Anderson
